WHO WE ARE

TOUCH SpecialCrafts is an art platform under TOUCH Centre for Independent Living that serves people with mild intellectual disabilities. Our aim is to discover and nurture our trainees' artistic talents. Through art, we hope to showcase their remarkable abilities, garner greater community support and show that they can lead a dignified life despite of their disabilities.

WHY SUPPORT US

Your support will help us to continue our art programmes and provide employment for our trainees.

HOW TO SUPPORT US

Besides purchasing our products, you may also donate to our programme or volunteer your time to befriend and mentor our trainees.
