

## MEDIA RELEASE

### **TOUCH Adventures Launches New Low Elements Adventure Facility (L.E.A.F.) in Collaboration with Civil Service Club at CSC @ Loyang**

**SINGAPORE, 17 JANUARY 2026** – TOUCH Adventures, a service of TOUCH Community Services, has officially launched a new Low Elements Adventure Facility (L.E.A.F.) at Civil Service Club (CSC) @ Loyang today, marking the start of an exciting new chapter for adventure learning and community engagement in Singapore.

The collaboration between TOUCH Adventures and Civil Service Club was born out of a shared commitment to create meaningful, engaging experiences that bring communities together. Both organisations recognised a high degree of alignment in areas such as youth development, experiential learning, and community building. This has laid the foundation for a partnership that combines CSC's excellent facilities and outreach with TOUCH Adventures' expertise in outdoor adventure programming.

#### **Accessible Adventure Learning Experiences**

This partnership is planned to run over the next three years, with a potential extension based on mutual goals, programme outcomes, and continued alignment between both organisations.

This collaboration with Civil Service Club allows TOUCH Adventures to deliver accessible, high-quality adventure learning experiences through an anchor venue and strong community partnership. This ensures greater reach among schools, corporate teams, and community groups seeking experiential learning programmes that combine fun with personal and team development.

For children and youths, these programmes nurture communication skills, problem-solving and emotional strength in supportive environments. For corporate and adult participants, they build trust, collaboration, and adaptability – skills essential for thriving in dynamic work and life settings.

L.E.A.F. offers an inclusive outdoor learning experience through a series of low elements challenge activities that foster teamwork, communication, and confidence. These include the Multi Vine, Nitro Crossing, Challenge Wall, Spider Web, and Wild Woozy – all facilitated by trained instructors from TOUCH Adventures to promote trust, collaboration, and problem-solving in a safe and guided setting.

Mr James Tan, Chief Executive Officer at TOUCH Community Services, shared, “L.E.A.F. represents the joint aspiration of TOUCH and CSC in creating experiences that benefit the wider

community. It's an invitation for people to step out, connect, and grow together through outdoor adventure experiences."

Mr Lau Mun Leng, Chief Executive at Civil Service Club, shared, "At its heart, this partnership is about bringing people and the community together through play, bonding, and shared experiences...creating lasting memories for Singapore's youth and strengthening the bonds within our community."

**About TOUCH Adventures**

TOUCH Adventures (TA) aims to promote character development, personal growth, family and community bonding through wholesome, safe and fun activities that impact children, youths and adults. Through structured adventure-based activities, participants will learn to stretch their limits, apply values such as teamwork and leadership and be agents of change.

**About TOUCH Community Services**

Since 1992, TOUCH Community Services has served people of all ages, races and religions to see sustainable change and transformation in their lives. It believes in the worth and potential of every child, youth at-risk, family in need, senior, caregiver and person with special or wellness needs to grow, participate and contribute in the community. The heartbeat of TOUCH is to **activate potential, build independence, connect people, and deliver impact** by developing sustainable solutions in society. **About Civil Service Club**

Established in 1971, the Civil Service Club (CSC) is the social club for public service officers in ministries and statutory boards. CSC is committed to fostering well-being and camaraderie by the organising of sports and social activities for the public service. CSC also offers recreational and leisure facilities for public service officers and their families to rest and recharge.

CSC operates three distinct clubhouses located in Changi, Bukit Batok and Tessensohn. CSC also manages an array of chalet accommodations in Singapore, ranging from single room suites at Changi, to double-storey colonial bungalows at Changi II, and Singapore's first dog-friendly chalet bungalows at Loyang. CSC clubhouses and chalets are open to the public, with a selection of facilities exclusively accessible to members.
