

TOUCH Young Arrows (TYA) is a service of TOUCH Community Services, a not-for-profit charitable organisation officially registered in 1992, and a member of the National Council of Social Service since 12 December 1994. TOUCH is also the winner of the Outstanding Non-profit Organisation Award at the National Volunteerism & Philanthropy Awards 2007.

TYA believes that children can be nurtured and sharpened like arrows to make a positive impact in society, and to be future leaders. TYA aims to nurture children aged six to 12, from low-income or single-parent families through programmes conducted by committed teams of volunteer coaches across 25 TYA Clubs in Singapore. With a low volunteer-child ratio, special focus is set aside to meet the children's social, emotional and educational needs. As part of TYA's vision to nurture children, TYA believes in strengthening families as well as enabling volunteers to help children realise their potential.

TYA's mission is to:

- **Strengthen** child's family relationships
- **Help** every child & young realize their potential
- **Inspire** joy in learning
- **Nurture** positive character and emotional resilience
- **Equip** every volunteer to serve effectively and compassionately

TYA's programme includes:

- Weekly one and a half hours of free academic coaching (English and Mathematics) followed by one hour of values-driven activities
- Year-round character development camps
- Year-round family bonding events and parenting talks
- Home visitation and social assistance
